Date Posted: **3/22/2017**

Location: **Memphis, TN**

Description:

The Middle School Math/Science Teacher provides a high quality instruction within a small school environment where every student is known and valued as an individual; serve students in grades 6-8; uphold the mission and values of Aspire Public Schools and contribute to our goal that every student has access to a high quality public education.

Job Summary:

ESSENTIAL DUTIES & RESPONSIBILITIES:

- Establish a culture of high expectations that includes the shared belief that every student will attend college.
- Develop and implement lesson plans and classroom activities aligned with State Standards and Aspire Instructional Guidelines.
- Assess students regularly and analyze student results; refine and differentiate classroom instruction based on assessment data and student needs.
- Collaborate with colleagues to improve instructional practices throughout the school; share best practices.
- Communicate regularly with students and their families about classroom activities and student progress.
- Involve parents and guardians as partners in their students' education.
- Manage student behavior to ensure every student is fully engaged.
- Actively participate in professional development activities, and work closely with lead teachers, principal, and instructional coaches.
- Maintain accurate student records including attendance.
- Identify unique student needs and collaborate with team members to effectively address those needs.
- Support the mission, vision, and core values of Aspire Public Schools.
- Perform other related duties as required and assigned.

Qualifications:

1) Required knowledge, skills & abilities:

- Knowledge of child cognitive development and various learning styles
- Knowledge of subject matter, including subject-specific frameworks
- Knowledge of assessments
- Ability and willingness to implement Aspire Instructional Guidelines and Best Practices
- Ability to analyze qualitative and quantitative student data
- Ability and willingness to reflect and improve instructional practices
- Ability to collaborate with colleagues, parents and community
- Computer and Internet search skills

2) Minimum educational level:

- Bachelors degree
- Valid appropriate Teaching Credential required
- English Language Learner Authorization required
- NCLB Highly Qualified

3) Experience required:

- 1+ year working with students as a teacher, teacher intern, or teaching assistant preferred

Application Procedure:

Apply online at <http://aspirepublicschools.org/join/>

Selection Procedure:

All individuals interested in working with Aspire Public Schools are encouraged to submit an application online. From there, all qualified applicants will be screened via review of their resume and a HireVue online interview. Successful applicants will then be called in for an in-person interview and/ore demo lesson.
